

# Chris Cakes of Wichita®

*Pancake Catering For All Occasions...*

CHRIS CAKES of WICHITA is a catering company that makes pancakes...by the millions! We have developed a specially designed grill and dispensing unit that allows us to feed large and small groups extremely quick and efficiently. Add a small dose of humor and some fancy pancake flipping and you have a show that people just love to watch as well as eat! CHRIS CAKES of WICHITA is used in all types of situations including fundraisers, open houses, special events, benefits, grand openings, and the list goes on. We are now nationwide and have the ability to feed groups as large as 5,000 people ~ but the bulk of our business is considerably smaller.

We use our own brand of pancake mix that was developed especially for CHRIS CAKES. Only the finest ingredients go into our recipe. Also we will make our pancake mix available to your group if you would like to sell some at your pancake feed to make some extra money.

Since we are considered a wholesale vendor, we are designed to help you and your group put on your pancake feed. We will provide all the equipment and food that you will need. Your group will get involved by helping with the setup, serving, and light cleanup after the feed is over. By using your group for some of the manpower, CHRIS CAKES of WICHITA can offer you an extremely nutritious meal at a very low cost. In fact, we know of no other caterer that will offer the services and food that we offer for anywhere near the same costs.

A few weeks before your feed is to take place, you will receive a confirmation stating the details as to what to expect from CHRIS CAKES of WICHITA and what we will need from your group. This helps both parties to see that everything will run as smooth as possible.

Don't forget that every CHRIS CAKES of WICHITA function includes all the pancakes you can eat! Do you want to go for the record? It stands at 72 pancakes right now!

Thank you for taking the time to consider using CHRIS CAKES for your group or organization. We will do our best to provide you with a quality meal, excellent entertainment and the lowest price available for a complete meal.

***Hope to see you soon!***

# **FUNDRAISING IDEAS**

Here are some thoughts on how you can enhance or increase the amount of your take-home profits at a Chris Cakes of Wichita Fundraiser...

*(Hint: The more people that you have involved with your event, the more parents, relatives and friends are going to attend!)*

- Have a craft or bake sale off to the side.
- Have a local choir sing or school band put on a performance.
- You can sell booth spaces to local business people or to parents to sell items (Avon, Mary Kay, Tupperware, Pampered Chef, etc.) or show off their professions.
- Try to pick a “neutral” place to hold your event. Schools work well. It’s hard to attract people to come to a location they are not associated with or know little about.
- If you are trying to raise money for a particular person or cause, be sure to advertise that fact.
- Seek out free and cheap ways to advertise your event. Selling tickets in advance to friends and relatives works well. Remember ~ we only charge you for how many people actually eat, not how many tickets you sell. I am not in favor of children selling anything door to door.
- Other means of advertising could include: local TV stations, articles in your local newspaper, signs at the event location set up for several days in advance.
- Mention that CHRIS CAKES of WICHITA is doing the pancakes!!! THIS ALWAYS WORKS!
- Invite “McGruff the Crime Dog” or other positive roll models or mascots to be present.
- Do your pancake feed during your school’s Book Fair.
- Invite local Policemen, Firemen, Ambulance (EMS) or National Guard to attend. Have them bring some of their specialized equipment to demonstrate and show off.
- Sell CHRIS CAKES pancake mix. I’ll make you a heck of a deal!!
- Have a breakfast with Santa, the Easter Bunny or other character in sync with a particular holiday or season.
- Do a “Pancakes for Pops”, “Pancakes for Moms” or “Pancakes for Grandparents”. Have them come on a school morning to have breakfast with you! These are really successful and popular events.
- Try to get a local sports hero or other local celebrities to attend & promote your event.
- Have pancake contests (eating, best poster, most pre-sold tickets, etc.).

These are just a few ideas we have collected over the years. If you have any other good ideas that work for you, let me know!

## **Good Luck!**

## **Disclaimers and Other Information**

© Chris Cakes of Wichita ~ 2005

**"Chris Cakes of Wichita," is located in Rose Hill, KS 67133. We operate a mobile wholesale catering business and conform to all rules set forth by the Kansas Dept of Health that concern our business. If any other licenses, fees, permits or taxes are needed for your event, it is your responsibility to obtain and pay for these items.**

**Chris Cakes of Wichita is an interactive company that allows everyone to have some fun and enjoy themselves. But we also need your help with small children. Please make sure that parents know where their children are at all times and do not let them run around anywhere near our serving or prepping area. It is just common sense to watch out for their safety, as well as everyone else. We do like to joke with our customers and tease them somewhat. It is all in good taste and good clean fun. Your organization will need to be responsible for the behavior of everyone attending the event.**

**Your Chris Cakes of Wichita representative makes every attempt to arrive at your event at the scheduled time mentioned on the opposite side of this sheet, but there are occasions when things do not go as planned. Weather, traffic, road conditions, accidents, sickness, mechanical failure, personal crisis, etc., are always a concern. We miss or arrive late to an event less than 1% of the time! Contact between you and our company will be made one last time the afternoon before your event to make sure that everything is going as scheduled. We cannot be held liable for being late or not arriving because of conditions beyond our control. We send out confirmations weeks in advance that show all the event details. This is just to confirm that the information that you have given us is correct. It is not a contract. We are not responsible for any typographical errors on your confirmation sheet. Please let us know if there any corrections.**

**The mention of "All-you-can-eat" is defined basically as the amount that you can eat at one sitting. If we are serving for three hours and someone eats at the beginning of the event and comes back three hours later wanting to eat again without paying or being counted, this will not be allowed. This would be considered a separate or new meal being served. Also, all food must be eaten at the site provided, NO CARRY OUTS. If anyone is taking food off the premises, in addition to eating at the event, we will charge the group that hired us, for that food. Also, we cannot combine any two-meal options that we offer at one location during the same time frame.**

**If you wish to re-book us for another event, then you must call the office directly at (316)-516-7783. Do not assume that we will automatically re-book you for the next year or that we will remember to mark you down after a conversation at your event. We also reserve the right to refuse to cater any event(s) that provides little or no profit for our business and time involved. We also reserve the right to limit the length of time any meal is to be served. The serving time for any event should not be any longer than the time it takes to feed the people at that particular event. Fundraisers shall run no longer than 3 hours. Companies that wish us to feed several shifts may have to pay an extra fee or surcharge to keep us for an extended period of time.**

**Payment is due at the end of your event. We will accept Cash, Checks, MC, VISA or AMEX (a 5% convenience fee applies to all credit card payments). If payment is not possible at that time, then we charge a bookkeeping fee of \$20.00. If your full payment does not reach us within 30 days, we will re-bill you with an additional 2% finance charge for each 30 days that the payment is left un-paid.**

**Chris Cakes of Wichita does operate 365 days a year, 24 hours a day. There is a mandatory surcharge of 20% added to all events that we cater for on any major holiday (including, but not limited to: Christmas, Easter, Thanksgiving, New Year's, and Fourth of July). Other holidays, including, but not limited to Labor Day, Memorial Day, Mother's Day, and Father's Day, will have a mandatory surcharge of 15%. These surcharges will be mentioned before the event(s) take place and will be added directly to your invoice and stated as such. We do reserve the right to decline any event on any given day or time.**

**Our cancellation policy is simple. If you cancel before we depart, there is no charge at all. If you need to cancel after we arrive, but before we set up, then we charge only for the mileage and miscellaneous expenses. If you need to cancel after we start to set up, then we charge the mileage fee, the miscellaneous expenses and also our minimum fee of \$265.00.**

**Thank you for choosing Chris Cakes of Wichita. We appreciate your business and will work hard to make your experience with us as enjoyable as possible. Please contact our office at the number above if you have any questions or concerns.**
